

Caliper adapter bracket mounting instructions

This manual applies to Moto-Master article number: 211041

Thank you for purchasing this Moto-Master performance product. Please read these instructions carefully before attempting installation. *

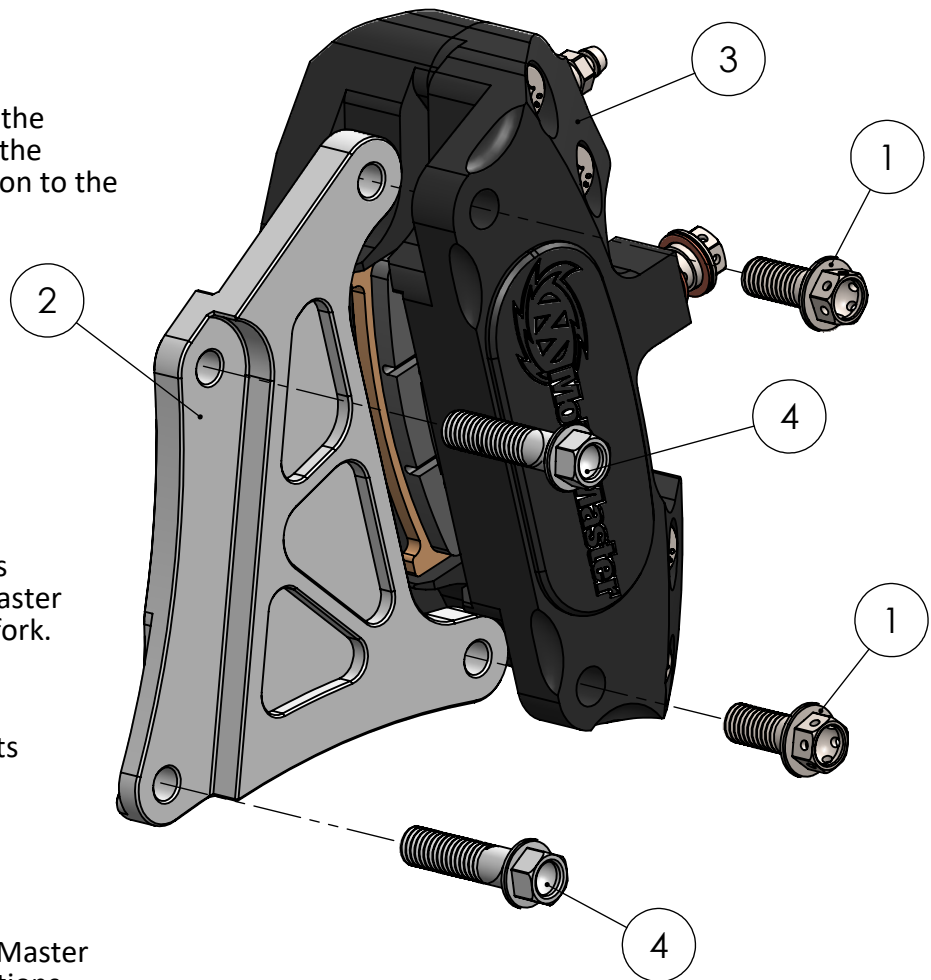

Make sure to use the 2 pieces M8 x 20mm Race Drilled bolts (1) that are included with the Moto-Master adapter bracket (2) to mount the Moto-Master Supermoto Racing Caliper (3) on to the Moto-Master adapter bracket (2).

Use your motorcycle's original OEM 2 pieces M8 x 32mm bolts (4) to mount the Moto-Master adapter bracket (2) on to the original front fork.

Do not use the M8 x 24mm Race Drilled bolts that are included with the Moto-Master Supermoto Racing Caliper.

For further installation of the Moto-Master Supermoto Racing system follow the Moto-Master Supermoto Racing Caliper mounting instructions.

*Consult a certified dealer or professional mechanic if you are not fully qualified in motorcycle maintenance. Moto-Master cannot be held responsible for any damage or injury caused by incorrect product mounting, disregarding specifications and these instructions, or product mounting by an unqualified third party.
